

Dear Mr.Bagul ,

How r U ...it's been long .

Penning down here has become a must after attending today's show ...

It's to tell U that yur opening speech was one of the best from an institutional head that I have heard so far . The matter was so well laid out in sequences that I cudnt afford to miss a word . It's like U speaking each and every word that I believe in ...

You and yur team of teachers Mr. Bagul are doing such a wonderful job .

Thank U as always.

Kind regards
