

Respected Sir,

Thanks for the opportunity given to me to meet you on My ward's last day in SCIS.

We really thank you and all the staff members for the support. I would specifically would like to thank Chinmoyee madam for working on improvement of my son's English grammar which has improved a lot. We shall remain indebted to her on the same.

We also take this opportunity to thank Moumita madam who has a compassionate touch with all students and still being within the school rules and discipline set up.

Abhik would miss SCIS as he had adjusted well. Unfortunately our stay was less due to my abrupt transfer.

We again thank all and would recommend others to enroll their wards in your esteem school.

Best regards
Ayan Ghosh
