

Dear Sir,

This is a note of thanks to you and the SCIS management for appointing such lovely accomodating teachers.

My son is a student of SCIS since Tiny Tots and is now about to be promoted to Class 3 this month end .

A very special thanks to Ms Sejal mam who is Class 2A's class teacher. I have noticed a remarkable growth and improvement in my son's performance under the able guidance and encouragement of Sejal Mam.

I saw the effort and sincerity and the warmth in the way Sejal Mam has taught all the subjects and a special thanks for English and Science .

I had heard about Sejal.mam and now I really second all the parents' opinion that she is a super good teacher.

As Sarnava moves into Class 3D, he along with I.would miss her.

God Bless her.

Thank you and very warm regards

Muroti

(mother of Sarnava- currently student of Class 2 A)
