Dear Parents,

We are all aware that Kerala is going through a massive flood and terrifying landslides with insufficient operations and equipment. The calamity has caused immeasurable misery and devastation.

The people of Kerala are dying. Over 20,000 houses have been destroyed and about 360 people killed. The death toll is rising every hour, every minute. The aged, young, ill and pregnant are stranded in their homes with the water level rising every hour.

Now, it is our duty to save God's own country, Kerala. The path to recovery can be long and arduous but you can make a difference by joining the rebuilding efforts.

The Chief Minister of Kerala has initiated a fundraiser by the name of 'Chief Minister's Distress Relief Fund'. The collections in this fund will be used to help those suffering in Kerala.

The Student Council of South City International School has initiated a fundraiser where 100% of the proceeds we receive from the students would be directly transferred to the 'Chief Minister's Distress Relief Fund' in order to play our part in helping those suffering in Kerala.

We urge each one of you to contribute a minimum of ₹100 in cash, or more, to be handed over to your ward's class teacher in a sealed envelope.
