

Dear Respected Sir,

I, Dr. Sibnath Mandal and Mrs. Rilina Mandal, are the parents of Dhriti Mandal of Class IX A. Recently, Dhriti has appeared for her Grade 8 Final Examination for Oral Communication from The London College of Music and Drama in the month of November.

We are delighted to inform you that Dhriti has scored the highest marks in West Bengal, competing against 500 students, ranging from Grade 5 to Grade 8. As she has achieved the highest distinction, she will be appearing for her Diploma in Oral Communication and Speech and Drama in Singapore next year. She will be receiving her certificate in January, 2018.

We wanted to express our deep gratitude for the school and its effort into molding my daughter, not only as a performer, but also as a human being overall. Your teachers and the respected headmistress have always encouraged all students to take part in extracurricular activities. The teachers are very well trained and hardworking; they are even willing to take out time from their own schedule to provide extra support for the students.

The school provides great exposure, compared to any other school, which will prove to be beneficial to the students in the near future.

We, as parents, feel proud and honored that our children are students of South City International School.

Yours Sincerely,

Dr. Sibnath Mandal and Mrs. Rilina Mandal
