Dear Parents and Well-wishers,

God is great!

As all of you are aware, our school bus No. 4, met with a severe accident outside Apollo Hospital at E.M. Bypass. Fortunately only 5 students were on the bus and were not critically injured. Two (1 pre-primary and 1 primary) students have received stitches.

All are safe and secure.

We are thankful for your support and co-operation. Mr. Anil Jha, a senior teacher from Heritage School helped to take the kids out of the bus. We thank him along with a unnamed few locals.

We are in the process of evaluating and revamping our bus system.

We once again thank the Almighty for saving our children.

Thanks & regards

John Bagul

Principal
