

20<sup>th</sup> June 2016

Dear Parents,

We have always appreciated and acknowledged your support and cooperation on various occasions for the smooth functioning of the school.

Keeping in mind the heavy traffic congestion at the school gate before the commencement of classes between 7:20 am and 7:50 am, it has been decided that students of classes IX, X, XI and XII will henceforth alight on the main road at the entrance of the drive way to the school gate, and walk up to the school. Teachers will be there to supervise the children. This will help to ease the traffic flow for the Tower residents in case of an emergency. In case of heavy rain, they can be dropped off at the school gate.

We look forward to your cooperation in this decision to make the effort a success.
