

29th July 2016

Dear Parents,

Recently we have noticed that articles such as books, tiffin boxes and sports gears which students have forgotten to carry for the day, are regularly being deposited at the school office to be sent to the class rooms. In our strive to inculcate a sense of responsibility, we would appreciate your support in ensuring that students come equipped with all their necessities for the entire school day as well as for after school activities.

With effect from Monday, 1st August 2016, the school office / school gate will not accept any article on behalf of students.

Thank you for your cooperation.

School Management
