

Dt: 30.08.2016

**NOTICE**

Dear Parents,

In our pursuit to reduce congestion and pollution at the school gates in the morning, students of the Secondary Section (Classes VI to XII) are to disembark at the main entrance and walk on the pavements leading to the school. Siblings in Primary School may also disembark with the older ones and walk along. Our staff are on duty to ensure safety and security of the children.

Thank you for your co-operation.

School Management
