Social Council of
United Nations since 2012

Dear Mr. John Andrew Baguel

Greetings and wishes from Smile Foundation!

We thank you whole heartedly for the support you have extended towards the cause and help support the less privileged children of our society.

By contributing for the welfare of underprivileged children and their families, you have joined us in our journey of spreading smiles. On behalf of our whole team and all our children, we welcome you to the Smile Family.

It is the support of responsible and committed institutions like yours which has helped us over the years to achieve this and we would like to heartily thank you for this. We also wish to extend our heartfelt appreciation to you, to the teachers and the students of your school for ushering in the change and being role models for the society.

Your contribution will be utilised under our flagship programme Mission Education which provides education, nutrition, health care support and relevant exposure to children from socio-economically disadvantaged communities, enabling their holistic development.

Education is the cornerstone of all progress and your support is crucial in helping us take education to the most deserving children in the remotest villages and unreached slums of the country.

We hope that this relationship will continue for years to come and help make a difference in many more lives.

For any further information you can write us at schools@smilefoundationindia.org

Yours Sincerely

Anju Kwatra

Smile Foundation recognises education as the main tool that empowers individuals to make informed choice, resist oppression and fight for their rights. The foundation is therefore committed to providing deprived children with basic education so that their future is built on a strong foundation; enabling them to free themselves from the vicious cycle of ignorance, poverty and disease.
