SUB: SINCERE THANKS

Respected sir,

I would like to convey my special gratitude towards **Sahana Ma'am, Moumita ma'am**(middle school coordinator) ,**Sandeep sir & Rishu sir** as school had taken a parently effort to treat an injury of my child **Disha Bhartia** of **class 6 B** immediately by taking her to the hospital's emegency ward.

I was overwhelmed by the motherly affection shown by the teachers at school.

My child seriously feels like home away from home at school now with caring friends and teachers around.

I am so proud that my daughter is under the precise guidance & care of authorities like you all.

Thanking you from core of my heart

Yours truly

**Vikash Bhartia(father)** *Vikash Bhartia*  
**Veena Bhartia(mother)** *Veena Bhartia*
